

In accordance with AB 2022, Pupil mental health services: school notification, Great Valley Academy wants to ensure that parents, guardians, and students are informed about resources available for anyone who believes they are in a mental health crisis. We encourage parents/guardians and students to talk with any staff member of Great Valley Academy if they are concerned about another student and possible mental health needs. Take all threats of suicide seriously.

There are a number of resources available in our community for students who struggle with social/emotional related issues. If your child experiences social/emotional challenges that are impacting his/her ability to succeed, please contact your school administrator or one of the mental health resources listed below.
